

April 26th 2021 UPDATE

Hello W.H. Day families;
 We hope everyone is getting into a routine with Remote Learning.
 The weather is getting nicer, so hopefully everyone is able to get outside and enjoy it! It will be a nice change from being in front of a screen.
 Continue to stay safe #TBoltstrong #bettertogether

What's Happening this week:

April 28—Administrative Professionals Day
 April 28—National Day of Mourning (World Day for Safety and Health at Work)

Thunderbolt Hurray!

We want to congratulate and honour the achievements of one of our Thunderbolt students.

Jeremy C , grade 7 participated in the 2021 Simcoe County Regional Science and Technology Fair, and won 4 awards:

- Divisional Awards - Human and Health Sciences – GOLD
- Special Awards - Dr. Donald N Philip Prize
- Grand Awards - Best of Human and Health Sciences
- NSERC Young Innovator Award

Jeremy has advanced to participate in the Canada-wide Science Fair in May 2021.
Way to go Jeremy! We are very proud of you!

Simcoe County District School Board (SCDSB) Student Census

Census Needs to be completed by April 30th

Students in Grade 7 and 8 are to complete the census themselves, and parents/guardians of students in Kindergarten to Grade 6 are to complete the census for each student.

At SCDSB we are committed to identifying and removing barriers within our system that impact equity, achievement and well-being of students, and to ensuring that all students are offered supportive, inclusive and respectful learning environments. To support these efforts, we must learn more about our students.
 For further information regarding the SCDSB Student Census 2020-2021, visit the SCDSB website or contact Lisa Newton, Manager of Research and Decision Support, at census@scdsb.on.ca or 705-734-6363 x11731.

Last Call for WH Day Spirit Wear!

WH Day Spirit wear is available for purchase only until the end of April!
