W.H. Day Newsletter December 2017

Attend A French Immersion Information Night. Registration Opens in January

The Simcoe County District School Board (SCDSB) offers French Immersion (FI) at W.H. Day beginning in Grade 1. The goal of the FI program is to enable students to communicate in French with a high level of proficiency, enabling them to function with ease in both French and English. Upon graduation from the program, students will communicate in French with confidence in a wide variety of real-life situations.

An Information session will take place on January 10 at 6:30 p.m., for parents of students in Senior Kindergarten.

The FI online application form will be available from 9 a.m. on Mon. Jan. 22, until 9 p.m. on Wed. Jan. 24, 2018 at www.scdsb.on.ca under Programs, French as a Second Language. While every effort is made to accommodate all FI applications, available space and staffing will determine how many students can be registered. Applications will be processed in the order they are received electronically. Please contact the school if you do not have Internet access at home or require assistance accessing the online application.

Please note that the host sites for FI may change during your child's time in the program, and your child may need to move schools. This may also include splitting the program between two different sites.

Kindergarten Registration Opens in January

Do you (or someone you know) have a child who was born in 2014? If so, it's almost time to register them for Kindergarten in the SCDSB! Required registration documents include birthdate documentation, proof of address and record of immunization. Our will be holding Kindergarten registration on Tues. Jan. 23 and Wed. Jan. 24, from 9:00 am to 4:00 pm. Please call the school, 905-775-9691, to set up an appointment. We would appreciate it if our school families could pass this info onto families new to the area. Visit www.scdsb.on.ca/kindergarten for more information.

High School Information Nights Coming to A School Near You!

Is your child starting Grade 9 next year? High school information nights happen this fall and winter. This event gives an overview of what's new, what to expect, as well as a chance to check out the school and ask questions. Attend our local high school information night to find out what's offered: Bradford District High School, Thursday January 18th from 6:00—7:30 p.m. Check out the full schedule of info nights and more information at www.scdsb.on.ca/highschool.

Land/Territory Acknowledgement Introduced for SCDSB Meetings, Events and Schools

Over the past few months, the SCDSB has worked with Indigenous partners, local elders and the First Nations Education Advisory Committee to develop a land/territory acknowledgement. A land/territory acknowledgement is an act of respect and reconciliation, based on the First Nations' tradition of acknowledging the land of others when they were guests in that territory. The statements will be used at SCDSB meetings and significant events, and daily in all schools to respectfully acknowledge the Indigenous people of this territory, their sharing of the territory and the benefits we have received, as settlers, from that sharing.

Continued on next page.

For school daily use:

“Simcoe County District School Board acknowledges that we are situated on the traditional land of the Anishnaabeg people. We acknowledge the enduring presence of First Nation, Métis and Inuit people on this land and are committed to moving forward in the spirit of reconciliation and respect.”

For more information, visit www.scdsb.on.ca – ‘About Us’.

Parents Invited to Information Sessions About Special Education

The SCDSB is hosting a series of information sessions for parents and guardians to learn about special education in the SCDSB, and how to support students with special education needs.

Dec. 18

Identification, Placement and Review Committee (IPRC) Information for Families

Jan. 22

Assessments in Special Education: Psych Ed and Other Assessments

Feb. 19

Transition Planning Grade 8 to 9

March 19

Accessing Supports in the Community

April 16

Understanding Alternative/Non-Academic IEP Goals

All sessions take place from 6 to 7 p.m. at the SCDSB Education Centre, located at 1170 Highway 26 in Midhurst. No registration required.

School Playgrounds Are Closed for The Winter

Every winter, school playground structures are closed. Students are made aware of this during school hours through announcements and staff reminders during breaks. This may not be well known throughout the community despite signs indicating that playground structures are a winter hazard and are closed. The Canadian Standards Association Regulations make recommendations for the depth of ground cover required to minimize injuries (eg. sand, pea gravel or wood chips). These surfaces cannot be maintained when the ground freezes. Injuries from falling would be more significant on frozen ground. We strongly recommend that you do not allow your children to play on any structures while the ground is frozen.

Eye See...Eye Learn Program Offers Free Glasses for Junior Kindergarten Students

The *Eye See...Eye Learn* program provides comprehensive eye exams by local optometrists to Junior Kindergarten (JK) students. The eye exams are covered under the Ontario Health Insurance Plan (OHIP) when parents show their child's health card. There is no out-of-pocket cost for the eye exam and if the child requires a pair of glasses, they will receive them free of charge courtesy of a participating optometrist. For more information, visit www.Eyeseeyelearn.ca.

OHIP+ Provides Free Prescription Drug Coverage for Children

Beginning Jan. 1, 2018, the province will provide free prescription drug coverage for children and youth aged 24 and under, regardless of family income. Under OHIP+, Ontario children and youth will have access to over 4,400 medications and other drug products. Enrolment in OHIP+ will be automatic, based on age. There are no upfront costs, no co-payment and no annual deductible. Those who are eligible for OHIP+ will only need their health card number and a valid prescription from their doctor or nurse practitioner when they visit their pharmacist. For more information, visit: www.ontario.ca/page/learn-about-ohip-plus.
