

# June 14, 2021 UPDATE

Hello W.H. Day families;

Teachers and staff will be in contact with families regarding pick up of personal belongings and tech drop off. Stay tuned....

Report cards go home June 24th.

WE MISS YOU THUNDERBOLTS!

### This Week:

June is Pride Month

June 20: Fathers Day

### Coming Up

June 24: Grade 8 Virtual

Graduation

June 29: Last day of school

### SCDSB family updates and contact information

As we continue to plan for the 2021-22 school year, we encourage you to visit the SCDSB website ([www.scdsb.on.ca](http://www.scdsb.on.ca)) and social media channels (@SCDSB on Facebook and Instagram and @SCDSB\_schools on Twitter) for updates and information over the summer months. If you have recently changed your email address, have a new telephone number or have moved, please contact the school directly to update your information on file so that we can communicate with you effectively, efficiently and securely!

### Take math outdoors this summer!

Are you looking for ways to promote and extend your child's math learning in the summer? Take math outside! Many of the everyday summer activities that your child engages in provide opportunities for making math practical through meaningful math explorations!

#### Number

- Count collections of objects found in nature or on a scavenger hunt
  - Calculate rates and speed during running, biking and obstacle races
- Estimate the heights and lengths of natural and manmade objects outside

#### Algebra

- Find examples of growing and shrinking patterns in nature
- Code your friend. One person is the coder and the other is the robot. The coder must instruct the robot on how to navigate a path or do a dance around the yard

#### Spatial

- Use a park map to plan a route and travel to a new location
  - Go on a shape hunt and find shapes in the natural environment
  - Examine leaves and other objects to find symmetry
- Estimate and determine elapsed time of road trips and adventures

#### Data

- Keep a tally of the different types of birds that come to the feeder
  - Track and graph daily temperatures over time
- Track the growth of plants in a vegetable garden and examine how they change over time

#### Financial Literacy

- Determine a budget and calculate the costs to refresh a garden
  - Set up a lemonade stand and determine costs and sales goals
- Donate gently used outdoor items that you're done with for others to enjoy

Have a Great Weekend and Stay Safe Thunderbolts!
