SCDSB family updates and contact information

As we continue to plan for the 2021-22 school year, we encourage you to visit the SCDSB website (www.scdsb.on.ca) and social media channels (@SCDSB on Facebook and Instagram and @SCDSB_schools on Twitter) for updates and information over the summer months. If you have recently changed your email address, have a new telephone number or have moved, please contact the school directly to update your information on file so that we can communicate with you effectively, efficiently and securely!

Register now for summer child care

Child care programs for children in Kindergarten to Grade 6 are provided by independent, third-party child care operators in some SCDSB schools. To support your child care needs, some operators offer child care over the summer holidays. Registration in advance is required. Please contact the child care operator directly to discuss fees and to register. More information and contact numbers can be found at https://scdsb.on.ca/elementary/planning_for_school/childcare_before_after.

Get outside and play!

Active play does more than help kids to achieve the 60 minutes of physical activity they need every day, it supports their development in many ways – especially when the play is outdoors, self-directed and fun. This allows kids to test boundaries and problem-solve, develop social skills and resolve conflict, and learn to control their emotions and behaviour. Encourage activities that support physical distancing and that fall within current provincial or municipal COVID-19 prevention guidelines.

Active play outdoors in the fresh air and nature also helps to improve mood and lower stress. Support your child to play outside with friends in the neighbourhood and at your local park as much as possible.
