

W.H. Day Parking Lot Update and Safety Blitz November 13, 2017

THE UPCOMING WEEKS...

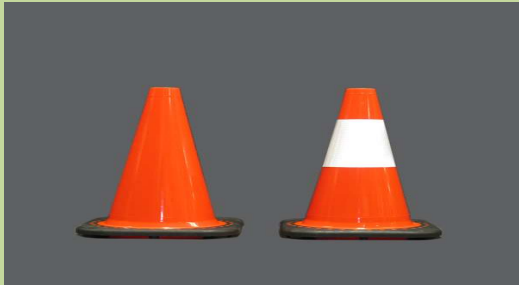

We will be conducting a **safety blitz** to monitor WHD parents/guardians following the recommendations. We advise families to follow these **recommendations**.

The **Kiss’N’Ride** will be **supervised from 8:40 - 8:55 a.m.** It **re-opens from 3:00 to 3:15 p.m.**

No passenger vehicles are permitted to park in front of the school **during bus loading /unloading** intervals.

Our goal is compliance, unfortunately if the parking lot recommendations are not adopted by our community, then we may be **closing our Kiss’N’Ride altogether**.

Please help us keep our children safe.

Dear Parents/Guardians,

In conjunction with SCSTC, we have conducted a safety audit of our parking lot just recently and the report recommendations are as follows:

1. Students access the Kiss’N’Ride areas using the designated painted **yellow walkways**.
2. Parents using the Kiss’N’Ride area will be required to **remain in their vehicles** during pick up and drop off. Parents do not wait in their vehicles to drop off/pick up children.
3. Parents walking onto school property will park on adjacent streets (where parking is permitted) and utilize the designated walkways.
4. Parents must **not** park adjacent to the Kiss’N’Ride area (on the grass).
